Winter 2023 PURC Schedule

Thursday, January 19 th 5:00 - 6:00 PM	Graduate School Interviews Panel Food Provided! Come ask questions and learn from graduate students about their experiences interviewing for graduate programs.
Thursday, February 2 nd 5:00 - 6:30 PM	Introductory RStudio Workshop Please read! Some preparation is required before this meeting! Materials will be sent out the week before to help you download and run RStudio on your own. During the workshop we can troubleshoot errors and will cover: installing/loading packages, loading data, running linear regressions and t-tests, and creating graphs. Hands-on support and code will be provided. Come even if you are intimidated, it won't be scary!
Thursday, February 16 th 5:00 - 6:30 PM	Lab Night More details to come. <i>Event will require sign-up in advance.</i> Come tour laboratories in Sidney Smith to see what a "day in the life" looks like across different specialties. This night is intended to give you examples of what research looks like, not to advertise hiring for specific labs.
